

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

At its meeting held December 5, 2006, the Board took the following action:

82-C

Supervisor Antonovich made the following statement:

“The intersection of Avenue T and 106th Street East is a heavily-traveled intersection in unincorporated Littlerock. Residents report that drivers are speeding along both streets, particularly along Avenue T. Drivers have witnessed many near misses at the intersection. Bus drivers utilize this intersection as a pick-up and drop-off point for elementary school children.

“Complaints by residents and school officials, as well as reports of speeding and near misses, suggest that installing 4-way stop signs at Avenue T and 106th Street East is essential to protecting drivers, pedestrians, and school children.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Burke, unanimously carried, the Director of Public Works was directed to install 4-way stop signs at the heavily-traveled intersection of Avenue T and 106th Street East in the unincorporated area of Littlerock, which is used as a pick-up and drop-off point for elementary school children.
